

**CITY OF EAGLE LAKE
PARK BOARD MEETING
March 14,2017**

CALL TO ORDER

Meeting was called to order at 7:00 a.m.

TREASURER'S REPORT

Marj Blommel moved to approve the treasurer's report as presented and Mary Huber seconded. Motion carried.

NEW BUSINESS

2017 Park Goals

1. **Frisbee Golf** – Members discussed a seven versus nine hole course due to potential hazards. The Board recommended course redesign takes place to relocate holes eight and nine. Board members also recommended the purchase of the necessary equipment it can be installed once weather permits.
2. **Park Area** – The idea of an adventure park area behind the warming house area in Lake Eagle Park was discussed. Items such as a sand pile, use of tires, and wooden stumps could be installed. The board asked that staff gather such items and that the April Park Board meeting be held in this area of the park to determine layout. Such a development would not allow for residents behind the park to use the park as access to their back yards.
3. **Park Funding Idea** – The Board discussed the idea of promoting recycling which in turn would lower the city's cost of refuse handling. These savings could then be used for park development.
4. **Dog Stations** – Two additional dog clean up stations will be installed, one along 598th Avenue and the other along the trail on Parkway Avenue.
5. **Fraze Park Trail** – staff would like to complete the trail in Fraise Park this summer which will extend the trail access on Third Street N to the restrooms which were constructed last summer.

The meeting adjourned at 8:10 a.m.
