APPEARANCES

1. Brad and Christina Treat, 228 Oak Drive

- Mr. Treat indicated he believes the flooding of his home during the September 2016 rain event occurred due to errors from many parties, ranging from the contractor, the previous owner, the building inspector, engineers, and the city. The contractor is making improvements to the property. The Treats are asking the city to assist with \$2,839 in damage repairs stating he feels the city is partially responsible for the damage. This amount is only part of the cost of repairs.
- Council directed staff to schedule a meeting with city council, the Treats, and all involved parties.

2. 1001 Timberidge Trail Access

- Mr. Potter explained the history of the parkland located behind the warming house and the park board's desire to create natural play area in this location.
- Mark Nelson, 1001 Timberidge Trail, stated the city council has granted them access to their back yard via the city park in the past to haul in landscaping materials and requested that when the natural play area is designed and installed that this access to his property be maintained.
- Discussion included the need to locate the north property line for the Nelson's property.
- Mike Shain, 1003 Timberidge Trail, stated the city will need to make sure they maintain access in this area as well.
- Daryl Fritz, 1004 Timberidge Trail, stated there is a lot of space in the park, asking what else is being planned, and if this natural play area could be located in another area of the park.
- This location was chosen for the natural wooded area and for the shade it provides.
- Concern for vehicle traffic in a play area was discussed as owners may have access to back yard.

- Bridget Larson, 405 Pebble Court, asked if this area would be sprayed as well, which it would. She also stated as a kid she played in the woods in the park and that children really enjoy this type of play area. She also stated the park board wishes to have a natural area children can use to explore.
- Council directed staff to have the property line in question located and to take into consideration the requests of the Nelson's when laying out the play area, to allow for access if possible.
