Miscellaneous Updates

- The property located at 21570 598th Avenue was recently annexed into City limits, and is currently undergoing the re-zoning process.

- The City-owned properties located at 301 and 305 Parkway Avenue are in the running for low interest loan funds through the Minnesota Department of Employment and Economic Development Demolition Loan Program. The City is seeking low interest loan funding to assist with the redevelopment of these sites so that they can be made shovel ready for future commercial redevelopment. Up to 50% of any loan funds awarded can be forgiven if a redevelopment plan with a developer can be secured. If there is any interest in redeveloping these sites, contact City Hall!
- City officials recently attended a YMCA Community Forum at Minnesota State University earlier in the week to learn more about the concept of a possible east side YMCA.
