

CONSTRUCTION NOTIFICATION

SUMMER 2022

**Hwy 14 and
County Road 56**

MnDOT has a project planned at Hwy 14/CR 56 in Eagle Lake in 2022. Here is what you can expect during construction:

WHAT: Restricted Crossing U-Turn (RCUT, also referred to as a J-Turn) intersection will be constructed at the intersection of Highway 14 and Blue Earth County Road 56 to improve safety

WHERE: Intersection of Hwy 14 and CR 56 in Eagle Lake

WHEN: Construction is scheduled to begin Summer 2022

IMPACTS: No detour is anticipated for this project. Motorists can expect lane restrictions and speed reductions during construction.
