December 2019

Potential Election Judge,

It is hard to believe that it is time to begin looking for election judges for the 2020 elections. This election cycle will see the addition of a Presidential Primary Election which will be held in March. All election judges will need to complete the standard election judge training which will be offered later in the year and those serving for the Presidential Primary Election will need to complete additional training specific to that election.

I am looking for election judges who can serve any or all the following dates and are available to work from 6:00 a.m. to approximately 9:00 p.m. with no breaks. I will need to ensure that party balance is maintained with elections judges and ask you to indicate if you have a party preference. Please complete the application below and return to me at [krausch@eaglelakemn.com](mailto:krausch@eaglelakemn.com) or at City Hall, 705 Parkway Avenue, Eagle Lake MN 56024.
