

Construction Notice:

On Thursday, August 26 the contractor will begin removing the reclaimed gravel surface on Agency St. from Parkway Avenue to Le Ray Avenue (weather permitting).

If the contractor is unable to work on Thursday, August 26 due to forecasted rain; the reclaimed gravel surface will be removed on Friday, August 27. After the gravel surface is removed, the contractor will begin constructing underground utilities. Please expect that you will lose direct access to your driveway for several weeks beginning on August 26th until the new gravel base is placed.

If you have special access or delivery needs, or any other questions or concerns during construction, please call **Joe Smith at (507) 676-3751**.

Thank you for your continual patience and cooperation throughout the process of improving your street and utilities!
