

Construction Notice:

The Thomas Drive and Agency Street intersection will be closed beginning Monday, September 13th at 7:00AM.

Please plan accordingly and use the detour provided. The contractor has completed the underground utility work at the intersection and will begin building the roadway section.

Please refrain from driving vehicles in the active construction zones. Avoiding the area will prevent your vehicle from getting stuck or damaged and will also help to keep connecting streets free of tracked dirt.

If you have special access or delivery needs, or any other questions or concerns during construction, please call **Joe Smith at (507) 676-3751.**

Thank you for your continual patience and cooperation throughout the process of improving your street and utilities!
