For Building Permit Inspections Call: 1-877-333-5620 Twenty-four hour notice

ACKNOWLEDGEMENT AND SIGNATURE: This permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work has commenced. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of law and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. **Please give 24 hour advance notice on all inspections. Submission of this application does not constitute a permit being issued. Property owner is responsible for locating property lines, easements, determining lot square footage and adhering to zoning regulations. The City does not provide surveying services.**
