

Summer 2020 Medallion Hunt
Hosted by the Eagle Lake Parks and Recreation

Clue#3

On these warm July days, I think I might just have it made resting in the shade and listening to the breeze while watching passersby contemplate which path to choose – left, right, or go off course. If you come upon me, it will be a surprise because I am in disguise!

Clue#2

Hunting for me can be a real lark! I am waiting to be found in a park. Only a good detective will find me. I am hidden “in”, “under”, or “along” something that is 5 letters or less. Where I am at is anybody’s guess!

Clue #1

Put on your shoes and come find me. Right from the start, stay 6 feet apart! I am hidden somewhere within City limits on public property. You will not need a shovel or ladder to find me. I am round and waiting to be found. Put on your sunscreen and venture out, exploring and being active is what this is all about! When you find me, be sure to return me to City Hall to claim your prize. If you do not find me today, that is okay – check back tomorrow at noon for Clue #2.

THANK YOU to the following prize sponsors: **Casey’s, Dairy Queen, Eagle Express, and Scheel’s.**
