**NEW BUSINESS**

- The Park Board met at Frazee Park.
- Disc golf equipment will be ordered today.
- Skate Park: Brad Potter spoke with youth interested in such a venue. Bridget Larson reported that Sarah Hughes with the Chesley Skate Park is available to the city to help make smart decisions. It is Sarah's belief that one good element and two ok elements will attract people. Removable equipment could be installed in the ice rink area and still leave room for basketball court.
- Ice rink options were discussed. This is a high maintenance and difficult to control feature of the park.
- Parking lot will be striped this week.
- Extra wood will be needed to the Adventure Park sign.
- Trail will be installed this year from N. 3<sup>rd</sup> street to the restroom facilities.
- Discussed recommended improvements to the Sakatah Trail connection were discussed.
- Open gym at the school was discussed. Limiting this event to a Friday night with times for both youth and adults is a possibility. Will also talk to school about possible use of the cafeteria for games.
- Lisa Pottenger and Jan Lange continue to research the possibility of a splash pad.
- The only possibility of a walking path from Owl Lane to Falcon Court, along 598<sup>th</sup> would be if the berm is saved down.

The meeting adjourned at 8:00 a.m.
