The records of the Animal Control or City Clerk's office shall be admissible for consideration by the Animal Control Officer without further foundation. After considering all evidence pertaining to the temperament of the animal, the City Council shall make an order as it deems proper. The City Council may order that the Animal Control Officer take the animal into custody for destruction, if the animal is not currently in custody. Subd. 1. Definitions. The term farm animal(s) shall mean those animals commonly associated with a farm or performing work in an agricultural setting. Unless otherwise defined, such animals shall include members of the equestrian family (horses, mules) bovine family (cows, bulls), sheep, poultry (chickens, turkeys), fowl (duck, geese), swine (including Vietnamese pot-bellied pigs), goats, bees, and other animals associated with a farm, ranch, or stables.

Subd. 2. Keeping. It is unlawful for any person to keep farm animal(s) or fowl, not in transit, as defined by Section 3.110 within the City limits/boundaries of the City of Eagle Lake.

Subd. 3. Violations. Any person who shall violate the provisions of this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not to exceed \$1,000 and/or 90 days in jail in accordance with Minnesota State Law. Each day in which a violation exists shall constitute as a separate offense.

SECTION 3.120 ADMINISTRATIVE CITATION AND ENFORCEMENT

Subd. 1. Purpose and Intent.

- A. Administrative enforcement procedures established pursuant to this chapter are intended to provide the City of Eagle Lake with an informal, cost-effective and more efficient alternative to criminal prosecution or civil litigation for certain violations of the city ordinances.
- B. The City of Eagle Lake retains the right to enforce ordinance violations by bringing criminal charges or commencing civil litigation in any case where the city determines it is appropriate or necessary, but finds that an administrative process is beneficial to the residents of the city and finds that such a process is a legitimate and necessary alternative method of enforcement of ordinance violations.

Subd. 2. Definitions. For the purpose of this chapter, following definitions shall apply unless the context clearly indicates or requires a different meaning.

- A. **Administrative Compliance Officer.** The City Administrator, any officer of the Eagle Lake Police Department, the Animal Control Officer, or any employee or designee of the City of Eagle Lake who has received official authority by the Eagle Lake City Council to enforce the city ordinances including this ordinance.
- B. **Administrative Offense.** A violation of any section, division, sentence or provision of the Eagle Lake city ordinances and is subject to a civil penalty determined according to a schedule adopted by resolution of the City Council from time to time and payable directly to City Hall. Each day the violation exists constitutes a separate administrative offense.
- C. **Appeal Board.** The appeal board will consist of the Eagle Lake City Council.

Subd. 3. Administrative Notice. An Administrative Compliance Officer may issue, in a manner consistent with this Code, an administrative notice to any person suspected or known to have committed an administrative offense and/or to the owner of property upon which an administrative offense is being committed.

- A. An administrative notice shall be posted on property upon which an administrative offense is being committed if the person suspected or known to have committed an administrative offense and the owner of property upon which an administrative offense is being committed cannot be located and for whom there is no known address.
- B. The administrative notice shall identify the administrative offense, the location in which the administrative offense occurred or is occurring, and the recommended corrective action for the administrative offense.
- C. The administrative notice may also state that the alleged violator has, at the discretion of the administrative compliance officer, no less than seven (7) days, but not more than thirty (30) days or as regulated by City Code to correct or abate the administrative offense as related to property violation.
- D. If the alleged violator and/or owner of property upon which an administrative offense is being committed are unable to correct or abate the administrative offense within the prescribed time, he or she may request an extension from the Administrative Compliance Officer. Such a request must be made in writing, filed with the City Administrator in City Hall, and must specify the reason or basis for an extension. This request must be made within the time for correction or abatement as provided herein in division (D).

- E. Any extension granted by the Administrative Compliance Officer shall specifically state the date of expiration. If the administrative offense is not corrected or abated, as outlined in the administrative notice, within the prescribed time, the Administrative Compliance Officer may issue a citation, as provided below.
- F. Nothing in this provision shall require the administrative compliance officer to issue a notice prior to issuing a citation. The decision as to whether to issue a notice or a citation is at the sole discretion of the administrative compliance officer.

Subd. 4. Citation.

- A. An Administrative Compliance Officer is authorized to issue a citation upon a reasonable articulable suspicion that an administrative offense has occurred, and the person, or property owner, subject to the citation is responsible for the violation; whether or not an administrative notice has first been issued in regard to the administrative offense.
- B. The citation shall be given to the person responsible for the violation and/or to the owner of the property upon which the violation has occurred, either by personal service or by United States first class mail.
- C. The citation shall state the nature of the administrative offense, the time and date the administrative offense occurred, the civil penalty applicable to that administrative offense as set forth in a schedule of civil penalties which shall be adopted by resolution of the City Council from time to time, and the manner for paying the civil penalty or requesting a hearing before a Hearing Officer to contest the citation.
- D. Citations issued pursuant to this section shall reference both this section and the corresponding Minnesota Statute violated, and shall clearly provide that the citation is administrative.

Subd. 5. Responding to Citation; Payment. Once a citation is issued, the alleged violator and/or the owner of the property upon which the violation has occurred shall, within 14 days of the time of issuance of the citation, either pay the civil penalty set forth in the citation or request a hearing in writing according to the procedure set forth in this section. The civil penalty may be paid either in person at City Hall, or by United States first class mail, postage prepaid and postmarked within the prescribed 14 days. Payment of the civil penalty shall be deemed to be an admission of the administrative offense.

Subd. 6. Requesting a Hearing.

- A. Any person contesting a citation, within 14 days of the time of issuance of the citation, may request a hearing before the Appeal Board/City Council, pursuant to these provisions.
- B. The hearing shall be held at City Hall at the first reasonable and convenient opportunity after the date the city received a timely written notice that a hearing has been requested.
- C. This section regarding the process for requesting a hearing is applicable to various other sections and provisions of this Code. In all circumstances, any request for hearing must clearly state the purpose for the hearing, any and all reasons supporting the request for the hearing, and any and all proof necessary to support the Council's granting of the relief requested. All requests for hearings must be made no less than fourteen (14) days before the date of the relief requested, and must also be made no less than five (5) business days before the next scheduled City Council meeting.

Subd. 7. Decision and Order. The Appeal Board/City Council may announce a decision at the conclusion of the hearing or may take matter under advisement. The Appeal Board/City Council shall issue a decision in the form of an order and shall serve a written copy of the order upon the parties no later than ten (10) days after the hearing. An administrative civil penalty that the Appeal Board/City Council imposes must be paid to the City within the timeframe established in the order. If no date is specified, it must be paid within thirty (30) days of the order. If the administrative civil penalty is not paid, the City may assess the civil penalty against the owner's property pursuant to Minnesota Statutes Chapter 429 and as regulated by City Code. If the Appeal Board/City Council determines that no violation occurred, then the City may not proceed with criminal prosecution for the same conduct.

Subd. 8. Owner Found in Violation. If the violation is upheld, then the owner must pay a fee of \$100 toward the cost of the hearing.

Subd. 9. Failure to Appear. Failure to appear at the hearing shall result in a default judgment against the party who fails to appear. If the owner fails to appear, the administrative citation shall be sustained. If the City fails to appear, the administrative citation shall be dismissed.

Subd. 10. Payment of Penalty and Correction of Violation. If the owner pays the administrative civil penalty and corrects the City Code violation, no further action will be taken against the owner or the owner's real property for the same action.

Subd. 11. Payment of Penalty without Correction of Violation. If the owners pays the administrative civil penalty but fails to correct the City Code violation, the City may issue a subsequent administrative citation, initiate criminal proceeding or initiate any other proceedings or remedies available in order to enforce correction of the City Code

violation.

Subd. 12. No Payment of Penalty and No Correction of Violation. If the owner fails to pay the administrative civil penalty and fails to correct the City Code violation, the City may do any of the following, or any combination thereof:

- A. Assess the administrative civil penalty against the property pursuant to Minnesota Statutes Chapter 429 and as regulated by City Code.
- B. Issue a subsequent administrative citation, thereby commencing a new administrative penalties process.
- C. Initiate other enforcement action authorized by law.

The City Council hereby establishes an administrative process for addressing violations of the City of Eagle Lake City Code and Zoning Ordinance, including, but not limited to property maintenance violations, nuisance violations, license violations, and animal violations. The process will include notice of violation; in most cases it will allow an opportunity for the owner to correct the violation without penalty, and the subsequent imposition of a monetary civil penalty for failure to correct the violation. If the civil penalty is not paid, it will be assessed against the property as a special assessment.

It shall be unlawful to discharge any gun, rifle, pistol, revolver or other firearm, or any air rifle, B-B gun, paintball gun or other device for the propulsion of an object by means of compressed gas or mechanical spring, or any other weapon capable of doing bodily harm and/or damage to private and/or public property within the corporate limits.
