WHAT IS THE EDA?

The Eagle Lake Economic Development Authority (EDA) works to coordinate and administer the City's economic development plans and programs.

The EDA assists businesses with loans and grants, provides business development support, and connects entrepreneurs with the tools they need to successfully start or grow a business. If you've been thinking about starting a business of your own, the EDA is here to help. Contact us to learn more about how we can support your business journey.

For more information, please email
jbromeland@eaglelakemn.com or 507-257-3218.

Support Local this Season
with simple actions that make a BIG IMPACT

Shop locally, follow and engage with businesses on social media, and share their posts to help spread the word. Cheer them on, leave positive reviews, purchase gift cards, participate in local events, volunteer, or collaborate when you can, refer a friend, and don't forget to simply say **"thank you."**

These small steps help strengthen our community and support the businesses that make Eagle Lake thrive.
