Performance Standards Checklist

1. Animal housing facilities shall be structurally sound and maintained in good repair. Indoor housing facilities should be adequately ventilated and have ample light and heat, either natural or artificial.
2. Animals kept outside shall be provided with access to shelter to protect them from the sun, rain, and snow and shall be provided with adequate bedding when the temperature falls below fifty (50) degrees Fahrenheit.
3. Animal enclosures shall be of sufficient size to allow each dog to turn around fully and stand, sit, and lie in a comfortable normal position. The floors of the enclosure shall be constructed to prevent injury to the dog's legs and feet.
4. Manure shall be removed with sufficient frequency to avoid nuisance from odors or from the breeding of flies. At a minimum, manure shall be removed at least once every two (2) weeks by hauling beyond the City limits.

The applicant understands that this application will be processed in accordance with established city review procedures at such time as it is deemed complete. The applicant also agrees to adhere to Performance Standards Checklist (see above.) Failure by the applicant to supply accurate and necessary information as requested by the city may be cause for denying this application.

In the case that a licensee is convicted of violating any of the above requirements, the City shall immediately revoke the kennel permit. No such permit shall be issues again for at least a period of one year after the date of conviction.
